New Membership/Membership Renewal Form

August 2010

The main goal of the **Blackhawk Booster Club** is to raise funds to distribute to the Fort Atkinson athletic programs for items not obtained through the normal school budget. Under the direction of board members, funds are raised through our membership drive, concession stand food sales, annual golf outing, and several other activities. The club also sponsors three sports banquets during the year to honor teams, athletes and coaches.

It is our hope that our past members will donate again this year and that we obtain new members as well. This past year the Blackhawk Booster Organization donated over **\$20,000** to our athletic programs at Fort Atkinson High School and Fort Atkinson Middle School.

Listed below are the types of general memberships offered. Please select one and return this form with your check as soon as possible. The form can also be turned in at school registration or at the high school office. If you have any questions regarding the Booster Club please feel free to contact me. Thanks for your support and **Go Blackhawks!!**
