

Blackhawk Booster Club

Greetings Blackhawk Fans!

The 2018-2019 Blackhawk Booster Club membership drive is underway. The annual membership drive is one of the main revenue sources that have enabled the Blackhawk Booster Club to make donations in excess of **\$25,000 per year** in recent years.

We hope to continue this tradition in the 2018-2019 school year, but need your help to meet our goal with either an **Individual** or **Family** membership. Your membership is a tax-deductible donation that helps fund requests from coaches to purchase equipment or fund activities outside of their school budgets. Membership includes a Blackhawk car decal, discount at the Glow Golf Outing, and an invite to the Winter Social following the Wall of Fame Ceremony. Help us meet our goal of 200 family memberships!

Where the money goes...
